

### **MODERN FOREIGN LANGUAGE**

In our French lessons we will learn colours, days of the week and classroom objects. We will achieve this by listening to native speakers, singing songs, playing lots of speaking and listening games and developing our writing from word to sentence level.

### **SCIENCE**

In our Science lessons we will be studying light, by exploring reflections and shadows. We will also learn how direct sunlight can be dangerous for our eyes and how we can protect them. We will also be studying animals including humans.

### **DESIGN TECHNOLOGY**

In our DT lessons we will be cooking a selection of foods, from around the

### **PSHE**

In our PSHE lessons we will be looking at rights and responsibilities. We will consider our rights and where they come from but also learn to develop more personal responsibility for our role in society.

### **DESIGN TECHNOLOGY**

In our DT lessons we will be cooking a selection of foods, from around the UK, following traditional recipes.

### **R.E.**

In our RE lessons we will look at Christian beliefs and action in the world and the impact these have on different communities. We will also study the teachings set out in the Christian Bible

### **ART**

In our Art lessons we will be studying and recreating, using a range of mediums, the works of the Pitman Painters.

### **MATHEMATICS**

In our Maths lessons our main focus will be on Number work, including fractions. We will also solve problems involving multiplication and division and progress from mental methods to formal written methods for multiplication. We will revise the x3, x4 and x8 tables. We will also study measurement, focusing on telling the time, using Roman numerals and 12 and 24 hour clocks.

### **MUSIC**

In our Music lessons, we will continue learning to play the recorder, alongside developing our singing using songs from the North East.

### **GEOGRAPHY**

In our Geography lessons we will be focusing on map work in the UK, studying both human and physical maps.

## **YEAR 3 SPRING TERM 2020** **WHITEHOUSE PRIMARY SCHOOL**

**TOPICS: All about the UK**  
**Local history study: Marvellous Mining**

### **HISTORY**

In our History lessons we will be studying local history and investigating what life was like for a miner, working in the local coal mines. We will look at the chronology of events, working and living conditions for the miners and the impact of important

### **P.E.**

In our PE lessons we will be developing our skipping skills and choreographing a class dance, in order to take part in the festivals. We will also be developing our teamwork and tactics through playing hockey and dodgeball.

### **ENGLISH**

In our English lessons we will be studying a range of non-fiction and fiction texts, including fables and a rag to riches story, using the Talk 4 Writing principles. We will also study both observational and shape poetry. Time will be dedicated each week to learning spelling rules, improving handwriting and developing our understanding of grammar.
